RE: Downed Animal Protection Act #98P-0151/CPI

Dear Sir-

I am writing this letter to express my sincere approval of the Downed Animal Protection Act # 98P-0151/CPI. I am a junior at Eldorado High School and have been made aware of the use of downed animals in packing houses through the reading of Upton Sinclair's The Jungle. I was under the impression that this inhumane problem had been taken care of through the first Food and Drug Act in 1906. I am surprised and disappointed that these animals are still being served to our nation. Please do all that you can to see that the Downed Animal Protection Act # 98P-0151/CPI is put into action.

Thank you for your time.

Sincerely,

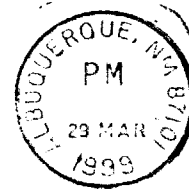

Shannon E. Mike
